Universal Edge Clip

Part numbers: UCCPU-C130, UCCPD-C130, UCCAD-C130

3. Work In Cabling System:

3.1 Cable fixed under the panel

UCCPD-C130

Recommened distance: 60cm

3.2 Cable fixed inside the panel

UCCPU-C130

3.3 Cable crossing fixed under the panels

UCCAD-C130

3.4 Similar installation method for other types

Installation detials of similar types
